

Eyerie Academics, LLC is a trademarked company, created by Dr. Camille F. Cohen and Dr. Janis James. It utilizes a more holistic approach to test preparation. This proven method includes written materials and workshops, to guide study habits and wellness routines. It is intended to promote an open forum for discussion and enhance the overall preparation experience for NBEO examinations.

Our upcoming program will include:

- Published Eyerie Academics workbooks
- Wellness sessions with licensed mental health professionals
- Workshops with paid tutors to review NBEO examination content

1 What have you been told about NBEO exams?

2 Do you feel that you are a good test taker?

3 How would you describe your current study habits?

***Study material and Virtual workshops coming soon.
